What is the FESTIVAL

The Festival delle Dimore Storiche del Friuli Venezia Giulia (Friuli Venezia Giulia's Historic Houses Festival), promoted by ADSI FVG, aims to make the public aware of the historical, cultural, artistic and landscape heritage of 21 private residences, still inhabited by their owners, who lend themselves to open their homes and welcome visitors, acting as guides to tell the evocative stories that permeate them. Alongside the visits, many mansions offer concerts, many by the Sergio Gaggia Association, lectures, book presentations, dinners and tastings.

Visits & Events

The list of open Historical Houses is shown in the table starting on page 3 and is divided by zone (each of which is assigned a colour). The number identifies the geographical location in the map on page 16.

Admission

Minimum donation €10 per person (free for accompanied minors); the raised funds will be used to support ADSI FVG's projects for the tourist enhancement of its private cultural heritage.

Opening hours

Visits last one hour and will take place according to the timetable on page 7 onwards.

Events

The events are listed for each individual house on page 10 onwards.

Reservations

Email addresses and telephone numbers for booking tours and events are listed for each individual house in the list of participating houses.
